

IMPROVING YOUR PROPERTY AND LIABILITY RISK

RSG is your gateway to improving your property and liability risk for both underwriting and claim purposes. Our consultants identify conditions where a loss may occur and recommend steps to remove or remediate areas of risk.

OUR RISK TEAM

Our national risk team is headed up by an industry risk specialist and includes building consultants and a multi-disciplined team of engineers.

OUR SERVICES

UNDERSTANDING THE EXPOSURE RISK SURVEYS REPORTS

We will provide a precise profile of the risk and a report that allows underwriters to assess the following:

- Property and Liability
- High hazard occupation
- Plant and Equipment

PROTECTION FROM UNDERINSURANCE SUMS INSURED REVIEWS/VAR

We review the sums insured selected and advise on an estimated replacement cost of the building.

LEGAL LIABILITY DILAPIDATION REPORT

Outline existing damage and the state of any particular aspects of the property that are likely to be affected by events such as construction work, excavation or demolition occurring on neighboring property or council land.

ACCURATE COVERAGE

Our survey, tests and sums insured review are each a valuable tool in arranging adequate insurance.

END-TO-END SOLUTIONS

As part of the FMPAC Group we offer a depth of experience in engineering, building consultancy, design and project management.

MORE FOR YOU

We are offering a discount when you combine two or more services to maximise your property protection.
